WHY REFER TO IHL

i. Comprehensive intake & clinician matching

All referrals triaged by a trained team. A structured intake framework matches clients to the right clinician by presentation, complexity, and autonomy.

ii. Depth of clinical capability

15+ AHPRA-registered psychologists across the full spectrum of presentations, including complex, high-risk and comorbid cases.

iii. Timely access & continuity

Referrals reviewed during business hours. Progress reports and clinical correspondence to the treating team, with client consent.

iv. Evidence-based & integrative

CBT, DBT, Schema, EMDR, ACT and other modality-informed approaches. Treatment tailored to presentation and goals.
